

Public Safety Team Meeting Minutes - February 13, 2019

In attendance - Councilors Neal James, Robin Phillips, Ken Hill,
Chief of Police KVFelker

1. A discussion of the requests from "Rally in the Pines" for speed limit reductions, parade possibilities, concert locations, traffic controls, etc. was held. Further contact with the rally organizers is ongoing to define numbers, etc. is taking place.
2. The need for further clarification of burning within the city was held - changes to the City Code to this extent are being formulated and will be brought forward for full council review.
3. Parking on South Saint Charles in the vicinity of the Catholic church was discussed - possibility of signage indicating that parking on the east side of the street by the church is for church traffic only or no parking on this side of the street was held - Chief Felker will study further and bring recommendations forth.
4. A general discussion of problems with perception of lack of prosecution in many instances by the prosecuting attorney was held - no conclusions were forthcoming.
5. A request for trapping within the city was reviewed and perhaps further definition of allowed activities is needed including prohibiting the use of "kill" traps, etc.
